Selectmen's Meeting

SPARE AMBULANCE TO GO

Police Chief James Moran asked Selectmen to make a decision as to whether the spare ambulance should be kept and repaired. The 1971 Pontiac vehicle he said requires a tuneup and 2 new tires and 2 new batteries. According to Moran the vehicle required $900. per year for normal maintenance and was used only 5 times last year (since January 1, 1981). Chairman William Hubbard noted that this amounted to almost $200. per trip without counting the cost of manning it. Chief Moran said that the ambulance is a Class II back-up vehicle equipped with all the equipment of the modular ambulance but in aging condition of doubtful reliability. The Chief said that it had to be started and run almost daily. He asked, "Can the town afford to keep it?" Questioned by Selectmen, Moran said that in two situations last year when the modular ambulance had been out on a call and another call had come in, he had called for a mutual aid ambulance from a neighboring town rather than use the spare ambulance.

Selectmen decided that since the eleven year old ambulance is not reliable it would be better for the town to use the mutual aid agreement with Fairhaven and Marion. The Selectmen voted unanimously to ask Chief Moran to take steps to dispose of the old ambulance. Moran said that all equipment and medicine can be removed and used in the modular ambulance.

Selectmen also approved a request for a transfer of $650 for the ambulance fund to cover an increased cost of medical supplies. The Chief said that $350 was needed immediately to replenish supplies.

ELECTRONIC GAME

Selectmen voted to license one electronic game for Graffiti Inc.

SHELLFISH FEE CHANGE

Selectmen voted to revise the shellfish license fee to allow any property owner in Mattapoisett to acquire a shellfish license for a $10. fee.

RESTROOMS TO BE REOPENED

Selectmen met with Lloyd Haskell, wharf commissioner, to assess the plans that he had for the wharf restrooms which had to be closed last year because of vandalism damage. Previously, the Selectmen had decided to do away with the fixtures and had informed Mr.

Haskell that he could make other plans for the space. Haskell told the Selectmen that he had left the fixtures in place although he had been considering clearing one rest-room for storage space. Chairman William Hubbard said that the Selectmen would open the restrooms for "one more try" this season starting July 1st. He said that a responsible person would open, close and clean the restrooms and that police patrols would check the facilities on foot to see that the building is secure.

Town Positions Open

As of Monday morning, nomination papers have not been taken out for the positions of Mattapoisett School Committee, Moderator and Planning Board. March 1st is the deadline for requesting papers.

Reminder to all those who are <u>not</u> presently registered voters. You must register to vote within the next two weeks if you plan to vote in the April 6th Town Election. You may do so any day from 8:00 a.m. to 4:00 p.m.; TUESDAY evenings between 7:00 and 8:30 p.m.; also, SPECIAL SESSIONS will be held for this purpose on SATURDAY, March 13, between Noon and 8:00 p.m., and the very last day to register will be WEDNESDAY, MARCH 17th. Any registrations received after March 17th will be too late for the Town Election.

PUBLIC MEETING

There will be a public hearing Tuesday, March 2, at 8 p.m. in Room 203 of the Mattapoisett Town Hall. This hearing concerns a sub-division of land owned by Bruce Rocha. This land is located at the end of Tallman Street. Mr. Rocha wants to build a house on the piece of land. This piece of property does not have enough frontage. The house will be only ten feet from the baseball field at Old Hammondtown School. It was estimated it would cost the town eight to ten thousand dollars to put up an anchor fence to keep the ball players and balls off this property which we taxpayers will pay for. Being so close to the ball field this could also result in lawsuits to the town. This matter was turned down by the Board of Appeals at a previous meeting. Please attend this very important meeting.

sociation as a new member at a recent meeting.

Five members of the Association were honored for 20 years of service. They are Mrs. Margaret Francis, Mrs. Leslie Goodwin, Mrs. Weldon Riddell, Mrs. Frank Ryder and Mrs. Robert Thackeray. During these twenty years the Marion Visiting Nurse organization has grown and seen many changes. Medicare and Medicaid, an increased emphasis on home care, have made many new demands on our staff of Nurses. Mrs. Edna Archer, Director, reports great satisfaction with the three recently appointed Home Health Aides. These aides, hired in November, have eased the nurses' load and made home care more efficient. They are Shirley Norton, Helen Knight and Bernadine Sacchetti, all of Rochester.

Benjamin D. Cushing Post 2425 V.F.W. hosted Plymouth District 12 V.F.W. on February 8th at the V.F.W. Pavilion in Marion. District Commander Thomas X. Lind presided; 81 delegates were present from the 19 Posts in Plymouth County.

It was reported that 88% of the membership was paid and extra effort is needed to attain 100% by the end of the month. Commander Lind reminded the delegates that tickets are available for the District Banquet March 12 at the Abington Post.

Discussion was held on the recently announced budget cuts for the V.A. Hospital and the Coast Guard. Commander Lind was advised by the delegates to bring this information before the Council of Administration for action.

A chowder collation, made by Benjamin Dexter, was served following the meeting.

Rochester Boy Scouts

STORM DOESN'T DAMPEN SCOUT SPIRIT

On January 23, at Camp Cachalot, Boy Scouts from surrounding areas braved the elements to participate in a much anticipated Klondike Derby.

Troop 31 of Rochester, under the leadership of Scoutmaster Carol Tirrell, Assistant Scout Leaders Gerry Morris and Kevin Johnson, had put in long hours preparing for the big race which they won last year.

A team of seven boys pulled a 75 pound wooden sled over a 5 mile course stopping to complete assigned tasks such as first aid, ice rescuing, and fire building. Points in the form of gold nuggets are given at each stop. Rochester's Troop 31 collected 439 points in spite of falling snow and icy winds. They came in first place ahead of 37 other sleds. This was an unprecedented consecutive victory by any troop.

The Troop 31 team members were: Danny Ferreira, Erik Morris, Michael Charest, Kenneth Tirrell, Steve Bernier, Jeff Cleminshaw and Mark MacGregor.

Danny Ferreira accepted a plaque honoring the boys, and it will be hung at the Rochester Grange where the scouts meet every Monday at 7:00 p.m. The troop had 28 members and would like to keep growing.

WHAT IS CORONARY BYPASS SURGERY?

Coronary artery bypass surgery improves the blood supply to the heart muscle when narrowed coronary arteries have reduced the flow of oxygen-rich blood to the pumping heart. This reduction in blood flow may cause chest pain and lead to an increased risk of heart attack. Coronary artery bypass surgery involves constructing detours for the blood to bypass obstructed portions of coronary arteries to keep the heart muscle supplied. Non-essential veins taken from other parts of the body, usually the legs, are grafted onto the coronary arteries to provide detours around the obstructed area. Contact your local American Heart Association for more information.

WHAT IS RHEUMATIC FEVER?

Rheumatic fever is an inflammation that may affect the heart, joints, brain or skin. It is almost always the result of a strep throat infection and is accompanied by fever. The most serious result of rheumatic fever is damage to the heart valves. However, heart damage is not an inevitable result of rheumatic fever. The risk of rheumatic fever can be decreased by prompt medical treatment of strep throat infections. Anyone who has been a victim of the disease has an increased risk of recurrence, which can be diminished by long-term treatment with antibiotics. Contact your local American Heart Association for more information.

ONE-MAN SHOW AT ART CENTER

Arthur Moniz of Fairhaven will have a one-man show February 26-March 17 at the Marion Art Center.

The artist attended Massachusetts College of Art as well as the Museum School of Fine Art in Boston.

He paints in all media (e.g. oils, acrylics, watercolor, alkyds, and egg tempera) with close attention to detail and realism. His subject matter ranges from still lifes, landscapes, portraits, etc., all executed in a sharp focus style.

Mr. Moniz has exhibited his works at local banks, libraries, the Wamsutta Club in New Bedford, local art shows and such. Up until recently he had his paintings at the Alexander Gallery in Brewster on Cape Cod.

Many of his paintings of historic New Bedford have been annually reproduced on calendars and a series of paintings of historic Fairhaven are owned and permanently exhibited at the National Bank of Fairhaven. The Millicent Library in Fairhaven recently acquired one of his oil paintings.

He currently resides at 28 Smith Street, Fairhaven where his studio is also located. Mr. Moniz has been a successful professional artist for 17 years.

Russian Roulette

Editorial, D.C.J.

There are very highly motivated people with high ideals and the best of intentions now engaged in a campaign calling for a mutual nuclear freeze for the United States and Russia on the theory that "War is the Enemy" and international Communism would then follow the trend and stop their build-up of such weapons.

It is so difficult to oppose idealism and faith because it is among the finest of human traits. Realistically, however, the issue has been forced because it will be on the warrant for the Annual Town Meeting to consider and vote.

The Communist ideology is administered and followed by fanatics, who are dedicated to the proposition that the whole world should enjoy the "benefits" of that system. If Pope John Paul should meet with Communist leaders and propose that the Russians should lift their control of Poland, it is doubtful that he'd get more than a horse

concessions. They are not noted for either giving ground or keeping agreements.

If the world could put the genie back in the bottle for once and all and never see it again the vote to do so would probably be overwhelming in our free country. In the Communist world, there is no vote because the leaders decide all issues of importance. It is very doubtful that they would ever give up their nuclear power. It is inconveivable that they would follow the United States' lead should we stop developing and deploying nuclear weapons. They would seize the advantage to blackmail the United States into submission.

The horror of nuclear weapons is clear to both sides. A balance of power has existed for long enough to establish that neither side will risk nuclear attack while under the certainty of retaliation. Historically, we have assurance that our country would never be the aggressor. So, we have only to worry about the quality of our deterrence. It is not a simple matter of numbers either. "60 Minutes", on Sunday, carried a story concerning a British teacher who is an authority on Russian satellites. He mentioned that recent Russian space shots have been hunter/killer satellites. There is no reason to develop such a hunter/killer unless they also have a weapon which they fear so greatly that

they have to develop a defense to destroy it. There is continued development and obsolescence. No country dare stand pat and no responsible country can hope to defend against a threat with an aging, outmoded system. All weapons have to be renewed and replaced. Our "minuteman" has long been our principle deterrent but it is an aging system.

The best information on all of these checks and balances is in the hands of the President. I'd hate to think that these hands could be tied by a public opinion based on good but misplaced intentions that could only lead to an irreversible miscalculation of the Communist capacity for sincerity and good fellowship.

Letter to the Editor

There is a growing movement in a number of communities to place on the ballot, or before town meetings, a proposal for a so-called mutual nuclear weapons freeze. The ultimate purpose of this proposal is to bring pressure on the President and the Congress towards achieving that end.

Now I have no doubt that most of the people behind this proposal are well-intentioned.

be just the opposite. It misleads them into believing that there is a growing weariness and lack of courage in America, and thus increases their resolve to hold their ground.

The State Department is currently in very difficult negotiations with the Soviet Union on the matter of nuclear armaments. The Soviets are unquestionably watching carefully for any chinks in America's resolve. Such petitions as are being proposed can only encourage Soviet instransigency and make the negotiating task much more difficult if not impossible.

Yours very truly,

However, I fear that most of them are also extremely naive. Certainly such a goal, with the further objective of nuclear arms reduction, is a noble one. But it cannot be achieved by public expressions of the nature envisioned by the proponents of the present proposal.

Those who expect that such petitions will have a positive effect on the Soviet Union are sadly misinformed. On the contrary, the effect on the Soviets is more likely to

TRU-TEST PAINTS

PAINTING HELP SPOKEN HERE.

BY Bonnie Blaire
TRU-TEST COLOR CONSULTANT

Dear Bonnie:

The woodwork in our home is solid oak but the varnish is checked and darkened with age. I want to paint it but my husband says he plans to strip it someday. I'm afraid that day will never come. Meanwhile, how can I convince him to paint it?

Signed, Impatient

Dear Impatient:

I'm with you! Your rooms will certainly look more contemporary with painted woodwork and, if painted white or a light color, they will look larger too. Assure your husband that, if and when he is ready to strip the woodwork, it takes very little extra effort to strip the paint along with the old varnish.

For a light, bright look paint woodwork white and choose a clear pastel tint for walls. (See "PASTELS A & D" on the TRU-TEST Custom Color Selector.) Or, choose a soft muted wall color (from "BACKGROUNDS B & C") and paint woodwork to match.

For an elegant effect paint white woodwork against deep jewel toned walls. Select colors like deep blue, forest green, burgundy from the "ACCENT" collection of the Custom Color Selector.

Match woodwork to the background color of a wallcovering for unity and continuity.

Or, paint woodwork to match the dominant accent color in a drapery or wallcovering pattern to repeat and distribute the pattern around the room.

For a genuine early American effect, paint woodwork a deep colonial blue, rusty red or deep gold against soft warm off-white walls to simulate whitewash.

Rochester Youth Hockey

Rochester Youth Hockey teams played some exciting games over the weekend ending with 2 wins and 3 losses.

In Mite action, Coach Aguiar's RAC Services lost 10-0 to a very strong Y-D team. Jason Medeiros was in net for the Y-D game.

In the PeeWee B Division, Hair Biz won 6-2 over Harwich on Saturday and lost 6-4 to Provincetown on Sunday. Brian Becotte was in net for both games. In the Harwich game, Rochester's goals were scored by Tom Dias from Ken Martin. Scott Guinan (4 goals), one unassisted, the others assisted by Sean Bryce and Tom Dias, Sean Bryce and Ken Martin, Sean Bryce and Tom Normand, and the last goal from Tim Sheehan assisted by Normand and Guinan. Congratulations to Scott Guinan on a 5 point game. Against Providence, Rochester's goal scorers were Sean Bryce from Scott Guinan and Tom Normand; and Scott Guinan (3 goals) with assists to Sean Bryce and Bill Hokanson, Sean Bryce and Chris Smith, and Chris Smith on the 3rd goal.

In PeeWee C competiton, Rochester's American Flexible Conduit won over Y-D 4-3. Larry Westgate was solid in net for Rochester. Rochester's goals were scored by Art Parks from Dean Frates; Mike Duryea from John Medeiros; Frates from Parks and Dave Smith; and Andy Pawlecyzk from Mike Duryea.

In Bantam action, Rochester's Vel's lost a close one 1-0 to Wareham. Both teams played a good solid game. Mike Roskiewitcz and Jeff Humphrey shared the duty in net for Rochester.

Both Squirt teams had the weekend off. Nancy Connolly and Anne Langlois were this week's winners in the 20/20 club.

Mattapoisett Road Race

SPONSORED BY THE MERCHANTS OF MATT.

The Mattapoisett Road Race Committee consisting of Brian Bisson, Bob Caswell, Bob Gardner and Andy Wingate held their first meeting to start making plans for this year's race. It was decided that the 5-mile race will be held on Monday, the fifth of July, so there will not be any conflict with church services held on Sunday, the fourth. Traffic control was also another consideration.

There are some major changes this year for the Mattapoisett Road Race. The first change is that this year's race will start and finish at Shipyard Park in front of the Mattapoisett Inn. This will eliminate the need to bus the runners, starter, officials, etc. to the start, making things both easier on the runners and officials. Also, for the first time spectators will be able to see the start of the race as well as the finish plus easy viewing anywhere along the race course. Safety and traffic control was a major consideration.

The biggest question was to open the race or keep it closed. It was determined that the race should be opened to anyone with a limit of 300 participants. More and more people from out of town were using addresses from Mattapoisett so they could run the race and qualify for the awards. By opening the race the problem would be solved. Mattapoisett residents only will receive first, second and third place trophies for each of the eight categories as last year. The new aspect is that with the race being open a trophy

will be awarded to the overall winner in each category. Also, a new category will be added for the 12 and under, both female and male; first and second place trophies will be awarded. Also, a raffle will be held of at least 10 gift certificates in which every entered runner's number will have a chance to win a prize, bringing the total number of awards and prizes to over 50 in number. T-shirts will be given to all those who pre-register. Pre-registration will be cut off as of Saturday, July 3rd.

All changes have been made with the intent of improving the race for the race participants and the town of Mattapoisett and its residents. To think last year the race was almost not held for more reasons than one, and this year the plans are for a bigger and, as you can see, much improved town function because the people care.

Remember July 5th, 10 a.m. sharp; the best Mattapoisett Road Race yet will be held. Be a part of it.

The course, for children 6 to 12 years old, will be held each Saturday for 10 weeks from 9:30 to 11:30 a.m. in room 259 of the College of Visual and Performing Arts (Group VI) Building.

"A variety of art media will be used to develop visual observations and skills," said Kathy Miraglia, instructor for the class. "The emphasis is on developing children's awareness and understanding of their own unique potentials while confronting an exciting and complex environment."

The children will put on an art exhibit at the end of the workshop.

There is a fee. For further information call Rose Arruda, SMU Division of Continuing Studies at 999-8787.

Diabetic Society

On Sunday, February 28th, at 7 p.m. a meeting of the Greater New Bedford Diabetic Society will be held at the Caroline Street Recreation Hall, corner of Caroline and Parker Streets, New Bedford.

During the business meeting, reports of the education, program and money raising committees will be given. New committees that are now in formation will be announced to the group.

Speaker of the evening will be Ms. Judith Aguiar, sales representative of the Ames Company, who will discuss "Home Glucose Monitoring". A question and answer period will follow. It is hoped that young diabetics will make every effort to attend. Because it is most important to have good control when becoming pregnant, it is also hoped that girls anticipating pregnancy, parents and pregnant women will make a concerted effort to attend this meeting.

10:00 a.m. to 3:00 p.m. As always, this annual event should be a fun-filled day for all horse enthusiasts. There are always many bargains for horse lovers as well as horse owners. The home-cooked food is superb and in itself worth the trip. The D.H.A. members run a consignment table for those who want to sell horse related items. This affords others an opportunity to buy second-hand items at a reasonable price. For those who wish to have a table themselves, D.H.A. sells space for this purpose. The D.H.A. sponsors this event to promote a community interest activity. For more information call Mike or Joan Travers at 636-8620 or 636-2512.

"Grudge" Basketball

Tobey Hospital and Jordan Hospital return to the basketball court again this year to prove their supremacy in what is billed as a grudge game to end all doubts about who has the better team.

Charges by the Jordan Hospital coaching staff that Tobey had enlisted the aid of "ringers" for the game this year have irked Dan Newberg, manager of the Tobey team, who countered with his charges that Jordan had

acquired knowledge of all plays to be employed in the game plan of last year's game, a deciding factor in Tobey's loss to Jordan on their home court.

Measures have been taken this year to prevent leaks and Newberg predicts the Tobey team will blow the Jordans out of their sneakers this year.

Game time is scheduled for 7:30 p.m. on March 4th at the Wareham High School gym. It is classified as a benefit game for Tobey and Jordan Hospitals. In all, if last year's game is to be a yardstick, this year's game should prove to be the super bowl of the season. Tickets are on sale at various locations in town and at the door the night of the game.

students how alcohol is absorbed into the bloodstream, and the effect it has on a person's behavior.

Lt. Paul Lambalot, Massachusetts state police officer, also spoke to the class informing them of the effects of alcohol on the motorist. Lt. Lambalot demonstrated the Breathalyzer machine. He explained how this device measures the amount of alcohol in the blood from a sample of breath taken from a motorist suspected of consuming an excess amount of alcohol. Because of these informative presentations, the students have a better understanding of how alcohol can affect their lives.

ACCLAIMED DUO-PIANISTS
TO APPEAR IN LOCAL RECITAL

Duo-pianism has witnessed a great revival in recent years. Much of the credit for this resurgence of interest must go to Richard and John Conti-Guglia, duo pianists, who will exhibit their dynamic artistry in a concert at the Bronspiegel Auditorium of New Bedford High School on Sunday, March 7th, at 2:30 p.m. This will be the third and final concert of the season for the Greater New Bedford Concert Series.

seven point lead in the third quarter. The lead in the fourth quarter went back and forth, each team leading by 1 point, until we let it get away.

VARSITY BASKETBALL

Tufts J.V. team won a game over Tabor on February 17th at Tabor by a score of 76 to 68. A very close, well-played contest, until the final minute of play, neither team ever led by more than 6 points. It was a seesaw contest and one of the better games played in Stone Gym in a while, with good overall team play. The coach commented, "It was a fine effort against a team with more depth and quickness and better overall shooting. We were able to make the game play our way and did an excellent job of controlling the tempo. With the exception of the outcome, I was very pleased with our performance."

funds for a "quiet" room in Tobey Hospital, the Tobey Hospital Meditation Room was opened for the use of patients, hospital personnel and visitors.

The nucleus of the fund was $5,000 received in dues from the first fifty men and women who joined the newly instituted "Friends for Life" membership in the Guild, started in the 1960's. That category entails payment of $100. for which life membership is conferred.

Money raised through many special projects and through memorial gifts to the fund also provided means toward paying for furnishings and for part of construction costs. The fund is maintained by the Guild for any additions or replacements of furnishings which might be necessary in the future, and for the costs for three fresh flower arrangements each week.

For those who use the room for prayer or meditation, there is a kneeling bench with a Jerusalem Universal Bible, a Jewish prayer book, and a Braille book at hand. A needlepoint cover for the bench was made and donated by the late Ethel P. Nicholson. For services held for patients and personnel on special occasions, there are religious symbols available for use such as a Menorah, a crucifix, a Protestant cross and candlesticks, all of which were donated for the opening.

Whether the occasion for the use of the room is to pray for the recovery of a loved one, to give thanks for the birth of a baby, or just to sit quietly for awhile, the lovely arrangements of fresh flowers, provided through the Guild's Meditation Room Floral Fund, add to the beauty of the room and to the atmosphere of serenity.

The Guild fund is often augmented through welcome gifts given by people outside of the Guild membership in memory of relatives and friends. Such gifts are applied to the costs of underwriting the placement of the flowers each week. Name cards of those memorialized through these gifts are chosen in rotation each week and are placed near the flowers. Families of those so memorialized are notified by mail the first of the week, for, if they wish to, they may visit to see the arrangements.

A "Book of Remembrance", which is enclosed in a memorial repository in the old lobby, contains a permanent record of those memorialized.

A committee of five Guild members representing the Jewish, Catholic and Protestant faiths is in charge of policies and taking care of the Meditation Room. Anyone who wishes to remember someone in this special way may send a minimum donation of $7.50 or more to the Tobey Hospital Guild Meditation Room Fund in care of the chairman, Mrs. C. Hammett Cowell, P. O. Box 72, West Wareham, Mass. 02576. An acknowledgement of the gift will be sent to the donor as well as notice of receipt of a memorial to the family or person designated.

Other members of the Meditation Room Committee are Mrs. John Gayoski, Mrs. Morris Davidson, Mrs. Timothy Walsh and Mrs. Joseph Walsh.

We are always saddened by the circumstances which prompt gifts to our fund. We are grateful however to those who give and, through their memorials, make this room available to those who feel the need of its atmosphere of peace and serenity.

SMU OFFERS WORD-PROCESSING COURSE

Southeastern Massachusetts University's College of Business and Industry is offering, for the first time, a word-processing course for out-of-school adults. Clyde Mitchell, coordinator for the University's Center for Research and Business Activity, said, "This is a high-quality program developed by Lanier Corporation that has proven to be a leader in the field. We are pleased to be able to offer it."

The program, scheduled over a period of three weeks, will consist of five hours of instruction plus another twenty hours of hands-on lab work. The lab is supervised by experienced personnel at all times and can be scheduled at the convenience of the participant throughout the three-week period. The first series of classes starts on April 5.

Additional information and a brochure describing the program is available by calling the Center for Research and Business Activity at 994-9401.

SMU Jazz Festival

FEATURING STARS OF THE SWING ERA

Public events scheduled for the March 5 weekend include:

March 5 at 7 p.m.: The Tim Ingles Trio performing in an open jam session; musicians are welcome.

March 5 at 9 p.m.: Dick Johnson's Swing Shift. Johnson, whose clarinet playing Artie Shaw called "the best I've ever heard -- bar nobody.," once played with the Charlie Spivak band and has performed at the Newport Jazz Festival. He has also appeared with the Boston Pops and the Minneapolis Symphony orchestras. One ticket includes both the 7 and 9 p.m. events.

March 6 at 10 a.m.: High school jazz band competition with a workshop on improvisation later in the afternoon; free.

March 6 at 7:30 p.m.: Frank Foster and the Loud Minority, a 23-piece band from New York City. For 11 years Foster played featured tenor sax and was composer/ arranger for the Count Basie band for which he wrote 150 original scores. He has played with many of the jazz greats: Duke Ellington, Ella Fitzgerald, Billy Eckstine, Dizzie Gillespie, and Sarah Vaughan. During the last six years he also has taught music at Rutgers University.

March 7 at 3 p.m.: Performance by Bobby Greene of the SMU music faculty who specializes in Afro-American studies and jazz theory and arranging; free.

All performances will be held in the SMU Main Auditorium. Use parking lots 4 and 5.

Tickets are available at the SMU campus center ticket window; Symphony Music Shop and Good Vibrations, both on Route 6, North Dartmouth; Modern Music Shop, South Main Street, Fall River; and Chic's House of Drums, Main Street, Fairhaven. For further information call the SMU Music Department at 999-8568.

The festival is sponsored by the SMU Music Guild in cooperation with the SMU Cultural Affairs Committee and the Student Senate.

Girl Scout Cookies

They weren't "Deep in the Heart of Texas", but they were in full western attire when they launched the Plymouth Bay Girl Scout Council, a United Way agency, upcoming cookie sale - Girl Scouts will be selling cookies throughout all of southeastern Massachusetts between Feb.28 and March 7.

Girl Scout adult volunteers and executive staff members gathered at a "Cookie Rodeo" recently to officially kick off the Council's spring sale and to hear statistics relating to the fall 1981 sale.

Anne Marie Martin, Council Cookie Sale Chairman from Easton, informed the group that during the fall 1981 sale, the Council

saw a 12 per cent increase in sales over the fall 1981 sale. That percentage represents an increase in 35,508 boxes sold on a Council-wide basis.

Girl Scouts sell seven cookie varieties baked by Little Brownie Bakers of Louisville, Kentucky. Topping the list of popular sellers during the fall 1981 sale was the ever popular thin mint. Samoas, which are baked exclusively for the Girl Scouts, ranked a close second, while the new chocolate chunks placed third. Other varieties of cookies available are vanilla and chocolate cremes, peanut butter patties, a peanut butter sandwich (the all natural cookie), and the trefoil (a shortbread cookie).

When Girl Scouts sell cookies, they learn how to meet the public, how to keep records and how to manage money. They also earn money for their troop treasury. For each box of cookies a girl sells, she earns either 25 or 30 cents for her troop, depending on the troop's selling average.

Tournament Bridge

James Masterson having won the required Master Points in tournament bridge competition playing with many different bridge partners has been advanced by the American Contract Bridge League to the rank of National Master. His next objective is Senior Master status.

Winners in the regular weekly bridge tournaments held last week at the Dartmouth Bridge Club are announced.

Thursday afternoon, February 11, in the North-South direction Marian Lammey and Estelle Biehl were first; Helen Linehan and Dennis Brienzo, second; Joanne Greaves and Ruth Musser, third; Ilse Rothman and Eunice Levene, fourth.

Statement of Regret

Due to an error in the Rochester's Assessors' Records, I wish to apologize for advertising Benjamin & Annette LeValley, Jr. names in the February 3, 1982 edition of the Presto Press. It should have read Walter LeValley. I am sorry for any embarrassment due to the error to the LeValleys. It was corrected February 8, 1982 by the Assessors.

Yours Truly,
THOMAS GAYOSKI
